CALL FOR PAPERS

Shutterstock, Inc.

We are pleased to announce that the joint **SABE-IAREP Conference 2023** will take place June 7-10, 2023, in Nice at Université Côte d'Azur. This is an interdisciplinary meeting point of scholars who are interested in the intersection of economics and psychology, in addition to sociology, anthropology, neuroscience, and biology. We invite you to submit your extended abstract (max 1000 words) or full paper before February 10, 2023. The format of the conference will be thematic sessions in addition to general meetings, keynote speakers and a poster session.

There will be an early career researcher workshop June 7, 2023, for PhD students and participants just starting their academic career.
